

Desks with canal view

Become the tenant of desks for 10 persons in the BLOXHUB co-working community in the heart of Copenhagen with access to shared facilities such as meeting rooms, 3D scanning and print, VR studio, video and podcast studio and most importantly: a large global network within urban development.

As a resident, you must be a member of BLOXHUB, the Nordic hub for sustainable urban development. Here, you are introduced to global and local partners and can attend workshops, debates, programs and much more.
